

So guys, what have you learned during your stay in Dublin?

We enjoyed meeting new people and making new friends!

Visiting museums and getting a grip of the culture in Ireland was also good!

But what about your professional progress?

We're now experts for CLIL and scaffolding :-)!

And don't forget the BICs and CALP and interactive tools!

Dear Summer, did you forget Dublin?! Where's the sun?!

I'm challenging you... don't you know what layering is?!

And did you know that you can even use your umbrella as a parasol?

Parasol? What's that??

Irish art and the history of a useful tool
